

Dear National Federation / Dear Coaches,

We are writing you in relation to the stage of the ISMF World Cup which will take place from 20th to 22nd January 2023 in Arinsal, Andorra.

The organizers have requested to block some beds for the event, but **the accommodation facilities want to know all the exact reservations as soon as possible: by December 30th.**

It seems that fortunately the international tourism that they were waiting for, is going to visit their ski resorts again next winter and that is why most hotels already have many of their rooms committed for full weeks (7/7), so as soon as possible If they receive the reservation requests in the area closest to the races, the more possibilities there will be to get accommodation places.

By then, we expect all teams to communicate their accommodation needs to booking@palarinsal.com - Phone: +376 891 800; (Grandvalira Resorts Booking Department) by using the code "COMAPEDROSA 2023" in your request.

Any information about fares and details will be directly provided by the above-mentioned contacts.

After a few weeks, the places in the hotels we have proposed to you may not be guaranteed, and you will have to adapt to the availability at the time you make your reservation...

For next year we recommend stays of 3 or 4 nights considering the program planned for the event, and for your convenience.

We can also request rates and conditions for more or less number of nights, if you need it.

Thursday	1/19	Arrival of most teams
Friday	1/20	Opening ceremony and reception
Saturday	1/21	Individual Race
Sunday	1/22	Vertical Race
Monday	1/23	Departure of most teams
