- ISMF grants a **2-year free period** for all new National Members (Full, Associate and Provisional) which join and are officially approved starting from the Plenary Assembly 2023 onwards.
Please note:
 - Gratuity can only be provided on a one-time basis to each new member (it is not allowed to withdraw and re-join ISMF to benefit more than one period of gratuity).

 - Any change of status (e.g. from associate/provisional to full, or change of incorporation/association) does not lead to any period of free membership, as it is not a new member.
