Organizing Committee

On behalf of the organizing committee of the International Ski Mountaineering Federation Youth World Cup, due to take place on the 3rd and 4th of February 2024, I am delighted to welcome all the athletes, technicians and teams who will participate in this event. It is an honour to host you here in Bormio. A highly motivated, experienced team has been assembled to make sure everything runs smoothly for our first step along the route to the Milano Cortina Winter Olympics in 2026.

The races will start from the arrival of the Stelvio slope, the very same place where, in two years' time, this magnificent sport will make its Olympic debut. We wish all athletes the best of luck and hope to see you all again in 2026 for the most important sporting event in the world.
